SUMMARY

Full Stack Web Developer with expertise in HTML, CSS, JavaScript, Bootstrap, React.js, Node.js, Express.js, and MongoDB. Passion- ate about building responsive web applications with clean, efficient code. Eager to apply problem-solving skills and collaborate on innovative projects

EDUCATION

Bachelor of Computer Applications   Graduating April 2024

Periyar Maniammai University   6.49 CGPA

Periyar Maniammai Institute of Science & Technology

Relevant coursework: I hold a BCA from Periyar Maniammai University, with strong analytical and problem- solving skills to tackle real-world challenges.

12th (Computer Science)   Graduating May 2021

74%

National Higher Secondary School

Relevant coursework: Computer Science with Maths Department, demonstrating strong technical expertise and hands-on experience.

TECHNICAL SKILLS

FrontEnd: Html , Css ,Bootstrap, Javascript , React.js.
Backend: Node.js,Express.js,MongoDB.
Modeling Tools: Visual Studio Code.

ACADEMIC PROJECTS

Portfolio.

Designed and developed a fully responsive personal Portfolio website to showcase academic background , technical skill, and personal projects . implemented clean and modern UI/UX design priciples for better user experience across devices. Utilized HTML,CSS, and Javascript to build interactive elements and dynamic sections.

Weather App.

Developed a Weather App application using React.js to fetch and display real-time weather data based on user Input . implemented reusable components and managed applications state efficiently using react hooks (useState, useEffect). implemented OpenWeatherMap API to access accurate and up-to-date including temperature,humidity and wind speed

React-based Mini Pizza Website.

Built a responsive Pizza ordering website using React.js with dynamic product listing and cart management functionality. Styled the website using Bootstrap to achieve a clean , mobile-friendly layout with pre-built responsive UI components Implemented modular components such as menu , cart , and order summary to ensure maintainable code structure.

COURSE

Code99 IT Academy, Chennai,Velachery: Tutor (7 Month)   Aug 2024 – Feb 2025

• Completed intensive hands-on training in MERN Stack (MongoDB , Express.js , React.js , Node.js) with a

 real – world project development.

• Gained proficiency in front – end technologies like HTML , CSS , Javascript (ES6+) , and React for building dynamic

 and responsive user interface.

• Practiced version control using Git and Github, and deployed applications like Netlify.

• Built multiple projects individually and collaboratively to strengthen problem – solving and full stack web development

 skills.
